

## The Iris Society of Dallas

Founded in 1954

### INVITATION TO JOIN

As a member of The Iris Society of Dallas you will receive a monthly newsletter informing you of upcoming programs and events. Our website [www.irises-dallas.org](http://www.irises-dallas.org) also provides information of local gardens as well as information about other iris events.

The Iris Society of Dallas meets on the third Sunday afternoon of each month. Meetings are typically at the Holy Cross Lutheran Church in Dallas. Programs consist of how to grow various types of irises including bearded, Louisiana, Spuria, species, etc. Prior programs have also included other gardening topics such as composting, photographing irises and artistic arrangements.

We hope you will decide to join The Iris Society of Dallas. Please provide us with information so we can get to know you and learn what programs you would be interested in.

NAME \_\_\_\_\_ NAME \_\_\_\_\_

Address \_\_\_\_\_ City, State, Zip \_\_\_\_\_
